Concrete Benches 268 V ES exposed aggregate

This stylish and modern bench is the ideal choice for urban environments, elegantly blending a curved design with a sophisticated relief texture. It is crafted from high-strength concrete with a homogeneous aggregate structure of natural marble or granite particles of a defined size. The model is equipped with a luxurious wooden seat and offers a choice between traditional spruce and our innovative material - eco-friendly wood Resysta®. This revolutionary product, made in Germany, is 100% recyclable and environmentally friendly, offering a _15-year warranty_ aga ...
